

Membership Application

Congratulations! You have a unique opportunity in front of you — the opportunity to join a group whose very existence is unknown to the vast majority of the world. Every question has at least one correct answer; some have multiple correct answers. There is no time limit. Answer each question only once. If you do not know an answer, move on and come back to the question. Using a pencil or erasable pen, fill in the circles completely for all correct answers. *Good luck!*
